EXPERIENCE

The Outdoor Church of Cambridge

Executive Director; Intern and Volunteer

Cambridge, MA

2008 - present

The Outdoor Church is an ecumenical church that seeks to provide spiritual and material support to the over 200 chronically homeless individuals who make their lives on the streets of Cambridge.

- Preside over the church's lively 9 a.m. outdoor worship service at the Porter Square T Station
- Implemented an enrichment program across the church's ministries, inaugurating the church's first music program
- Provide compassionate pastoral care to parishioners in a variety of settings, including shelters, hospitals, and prisons
- Build and maintain strong relationships with nearly 50 churches and nonprofits in the Greater Boston Area
- Redesigned church's website and revitalized church's print communications

North Prospect Union United Church of Christ

Associate Pastor

Medford, MA

2013 - present

North Prospect Union United Church of Christ is a progressive and welcoming Christian community located less than a half mile from Tufts' campus in Medford.

- Integrate youth into the greater life of the church, launching acolyte program and intergenerational worship services
- Regularly offer dynamic, biblically-based sermons and youth messages
- Lead, design, and participate in weekly worship services, holiday services, baptisms, funerals, and weddings
- Introduced age-appropriate outreach and direct service opportunities into the church school curriculum
- Collaborate with church school teachers and childcare workers to offer richer programming

Tuesday Meals Program at First Parish in Cambridge

Program Coordinator

Cambridge, MA

2011 - present

The Tuesday Meals Program has provided an evening meal in a safe, dignified environment to anyone in need of nourishment every week for over 25 years.

- Offer care and support to 120 guests and 40 volunteers on a weekly basis
- Work with volunteers to develop healthy feedback systems and upbuild volunteer leadership
- Facilitate conflict resolution between guests and between volunteers, salvaged broken relationships with vendors
- Maximized in-kind donations from local businesses for thousands of dollars in annual savings
- Manage regular facility upkeep, bringing kitchen and storerooms in line with health and safety regulations

Havenwood-Heritage Heights Retirement Community

Clinical Pastoral Education Intern

Concord, NH

2011

Havenwood-Heritage Heights is a not-for-profit, faith-based retirement community providing a continuum of services and long-term care for men and women over the age of 62.

- Provided pastoral care and counseling to residents from diverse ethnic and socioeconomic backgrounds
- Engaged in 140 hours of intensive reflection on interpersonal, group, and leadership dynamics
- Preached biblically-based messages at interdenominational worship services
- Led community-wide memorial services, offering pastoral support to families of the deceased

Mount Auburn Hospital
Chaplaincy Intern

Cambridge, MA
2010

Mount Auburn Hospital is a vibrant regional teaching hospital closely affiliated with Harvard Medical School, providing comprehensive inpatient services in all medical specialties.

- Provided pastoral support to patients experiencing short and long-term physical and psychosocial conditions
- Designed a booklet of prayers for comfort and healing to be used by patients and staff
- Led worship services in a mental health unit that were accessible to individuals across a wide spectrum of abilities

Uenogaoka Prefectural High School
English as a Foreign Language Teacher

Oita City, Japan
2006 - 2008

Uenogaoka Prefectural High School is a highly competitive public high school located in southern Japan, many of whose graduates go on to study at prestigious Japanese universities.

- Designed and implemented an original English curriculum used by over 2,000 high school students
- Planned and moderated prefecture-wide English education workshops to cultivate sharing of best practices
- Contributed to research designed to impact national standards for English education in public high schools

St. Lawrence University
Chaplaincy Intern

Canton, NY
2005 - 2006

Served as the first ever intern with the chaplaincy of St. Lawrence University, a private liberal arts university in upstate New York serving an increasingly diverse student body of 2,500.

- Created weekly programming opportunities for small groups, including scriptural study and social activities
- Contributed to the leadership of weekly chapel services with prayers, readings, and preaching
- Organized two separate retreats aimed at discerning and defining the goals of an emerging faith community

St. Lawrence University
Research Assistant

Canton, NY
2002 - 2006

Assisted Dr. Alice Pomponio in creating an encyclopedic dictionary of a language spoken on Mandok, a small island in Papua New Guinea.

- Collaborated with Catholic missionaries to record traditional stories told by Mandok elders
- Developed and refined a database for documenting a previously unwritten language
- Managed all technological aspects of research taking place across three continents
